### Drop-off & Pick-up Procedures

We will be using the Kinderlime system for drop-off and pick-up. For a carefree drop-off and pick-up, please download the "Kinderlime Parent" app to your mobile device. A separate letter is attached with more information about the system. You will also receive a separate e-mail with the registration code needed to download the app to your phone. The last e-mail will contain the pin you will need to check your child(ren) in and out of camp each day.

**Drop-off-** I AM STEM staff members will be outside with a device for you to enter your child(ren)'s pin and sign. You can also come inside and sign them in there.

**Pick-up-** You will need to come into the building to check out your child(ren) from their teacher. All teachers will have a device you can use to enter your child's pin. If you consent to having someone other than the primary caregiver pick up your child(ren), please make sure that person has the correct pins. WE WILL NOT GIVE OUT PINS to anyone, and your child will not be allowed to leave the premises with someone who does not have the correct pin. Remember, your child's safety is our top priority.
